Scholarships Available for AgriSafe's Nurse Scholar Program - Applications Due by May 30, 2025

Covington, LA - Attention all rural nurses: AgriSafe is celebrating National Nurses Month by offering a limited number of full-scholarships to the Nurse Scholar program (a \$500 value). AgriSafe's Nurse Scholar program recognizes the dedication of rural nurses and provides them with the resources they need to further their education and enhance their skills.

This digital asynchronous program includes 23 ANCC contact hours, and the application deadline is May 30, 2025. For more information on the Nurse Scholar program visit:

<https://learning.agrisafe.org/nurse-scholar-program>

Eligible applicants include nurses that are currently employed in the U.S. by a rural nonprofit clinic, nonprofit organization or hospital, critical access hospital, Federally Qualified Health Center (FQHC), school, or educational institution.

"Rural nurses are crucial for the health and well-being of agricultural communities," said Jessi Grote, DNP, RN, NPD-BC, AgriSafe's Professional Development Coordinator. "AgriSafe is proud to offer scholarships that support their growth."

All eligible nurses are strongly encouraged to apply and take advantage of this unique opportunity.

To apply for the scholarship, visit: <https://www.surveymonkey.com/r/9X2TNP9>

For media inquiries, please contact Laura Siegel, AgriSafe's Health Communications Officer, at lsiegel@agrisafe.org. If you have any questions about Nurse Scholar, please reach out to Dr. Jessi Grote at jgrote@agrisafe.org.

About AgriSafe Network

AgriSafe Network is a national 501©3 non-profit that educates health care professionals and agricultural communities about important health and safety information for those working in agriculture, fishing, and forestry. They bring together national experts to develop educational materials that can be delivered both digitally and in-person. Their mission is to protect the people who feed the world – and in addition to education, they are cultivating a network of trained agricultural health and safety professionals that understand and support [Total Farmer Health®](#). For more information, visit their [website](#), and follow them on [Facebook](#), [Twitter](#), or [LinkedIn](#).
