

FarmResponse® Registration Instructions

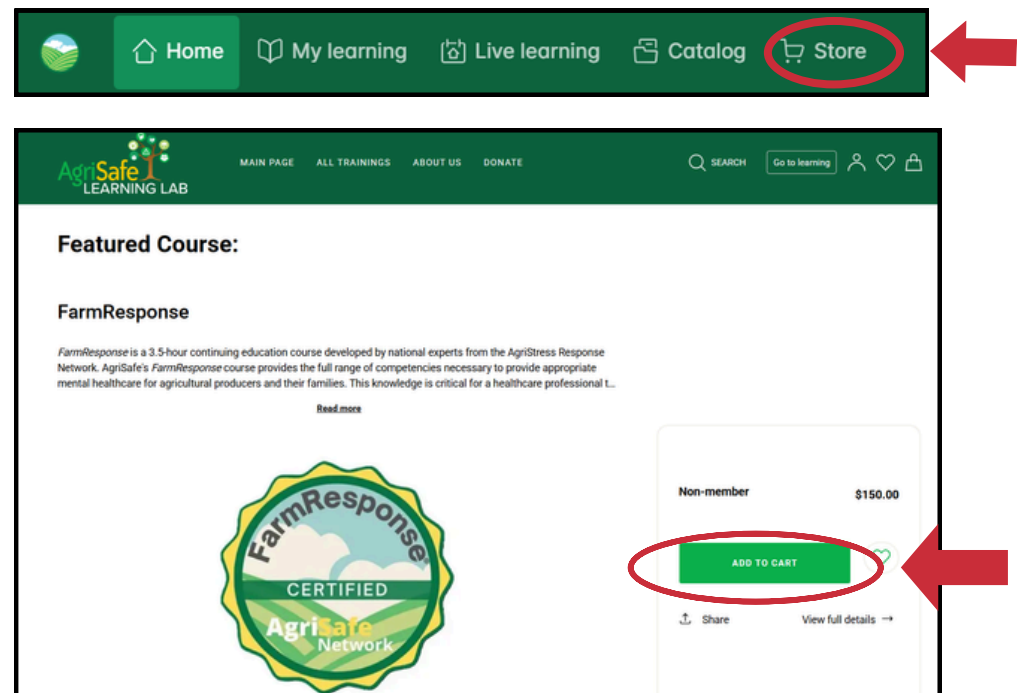

1. Create an account in the AgriSafe Learning Lab [here](#). 

2. Next, find the tab at the top of your Learner Dashboard labeled “Store,” and click that.

You can also go directly to it [here](#). 

Scroll down, and click the “Add to Cart” button.

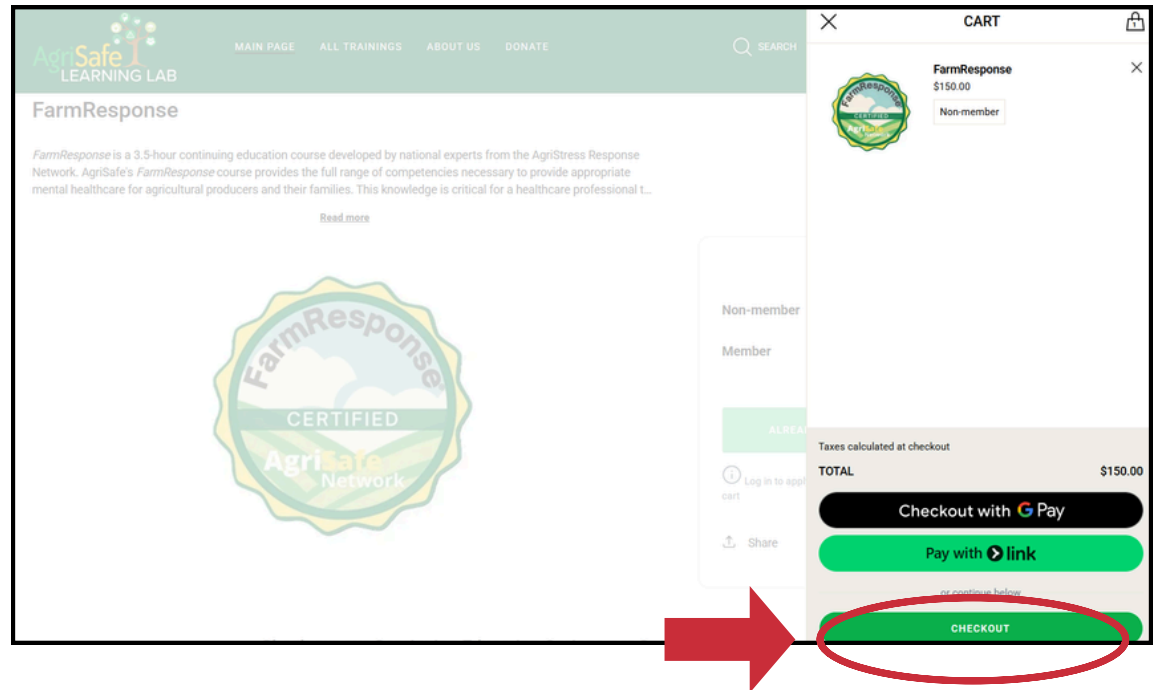

The screenshot shows the top navigation bar with the 'Store' tab circled in red and a red arrow pointing to it. Below, the 'Featured Course' section displays the 'FarmResponse' course. The course description is partially visible: 'FarmResponse is a 3.5-hour continuing education course developed by national experts from the AgriStress Response Network. AgriSafe's FarmResponse course provides the full range of competencies necessary to provide appropriate mental healthcare for agricultural producers and their families. This knowledge is critical for a healthcare professional L...'. Below the description is a 'Read more' link. The course is priced at \$150.00 for non-members. The 'ADD TO CART' button is highlighted with a red circle and a red arrow. There are also 'Share' and 'View full details' links at the bottom of the course card.

FarmResponse® Registration Instructions

3. FarmResponse will then be added to your cart, and a cart view will appear on the right side of the screen.

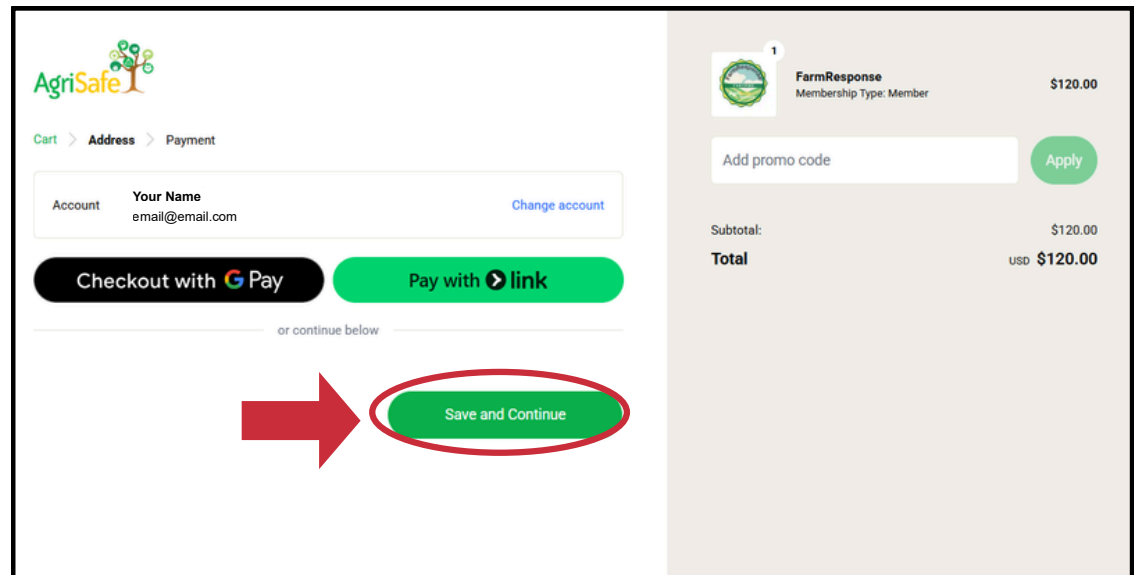

From there, click “Checkout” to continue.

4. Enter a promo/discount code if you have one and click “Apply.”

Then, click “Save and Continue.”

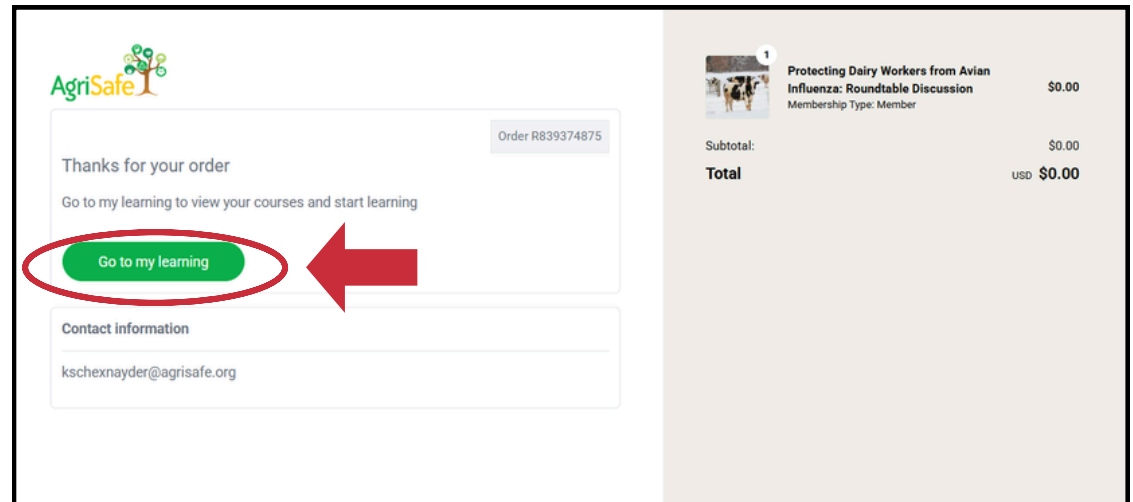

If no promo/discount is applied, you will then be prompted to enter payment information and continue.

FarmResponse® Registration Instructions

5. After purchase, you will be brought to a confirmation screen.

From there, click the “Go to my learning” button to advance back to your Learner Dashboard.

6. After purchase, FarmResponse will appear in your Learner Dashboard. You can find it under the “Learning not started” section.

After starting, it will be found in the “Learning in progress” section.
